Registration: On-site registration for all clinics closes 15 minutes prior to race clinic start time. Pre-registration not applicable. All clinic racers will be required to show proof of an annual USCF or NORBA license, or obtain a one-day license on-site. All clinic racers and volunteers will be required to sign a USA Cycling, Inc. "release from liability form" at on-site registration. Faculty, staff, and students of AUM must show respective University identification for waiver of registration fee at AUM clinics. All registration fees will reimburse current and projected expenses, including event permitting and the \$1 insurance surcharge per rider per clinic. Any excess registration fees will be consolidated for end of series recognition and door prizes to be awarded after the final clinic on 6 March. This is a non-profit clinic.

General Information: Mountain bikes (without bar ends), road bikes, and cyclocross bikes are welcome. Helmets must be worn at all times. Promoter has the right to combine clinic classes or start times based upon attendance. Race clinics will be held rain or shine. Race clinic courses will be open for pre-riding 15 minutes prior to each category start time. No warming-up on the course with a race clinic in progress. CAT A/B riders will accompany the KIDS two-lap clinic prior to CAT A/B start. A bike wash point is located on-site at the AUM Army ROTC Trailer (registration site). All USCF cyclocross rules will be in effect. Correct Category Alignment as detailed below WILL BE ENFORCED!
